 NEBRASKA PUBLIC POWER DISTRICT alert - A surge in copper theft has been observed. The utility urges the public to remain vigilant for any suspicious behavior near power poles and substations statewide. If you witness any questionable activity, please promptly notify local law enforcement.

WEEKEND LAW ENFORCEMENT ACTIVITY - Friday evening a little past 7pm an officer with the Plattsmouth Police Department observed a vehicle being driven erratically near Highway 75 and Wiles Road. The vehicle turned off onto Mynard Road and stopped. A deputy that had been on a traffic stop in the Plattsmouth area then responded. The driver, a 72-year-old man from Murray, was taken into custody on suspicion of DUI.
 -Sunday around 2am a deputy conducted a traffic stop on a Honda Accord in the area of Highway 75 and Webster Boulevard. The driver, a 27-year-old Omaha man, was arrested for allegedly driving under the influence of drugs.
 -Deputies along with Nehawka fire and rescue were sent to investigate a report of thick black smoke just north of Union yesterday about 5:30pm. Responders determined the source to be a burn pit near 12th and Adams Streets. Fire personnel requested emergency management respond due to tires being burned in a pit. A citation was issued.

ONE INJURED IN FRIDAY MORNING ACCIDENT - Emergency personnel were paged to the area of 310th Street south of Mill Road just before 5am. Responders discovered a Subaru that had slid off the road and rolled. The female driver was transported to St. Elizabeth Hospital in Lincoln. Elmwood fire and rescue, Murdock fire, Cass County EMS, and deputies were all on scene.

TO CASS COUNTY COMMUTERS on Highway 50 - Construction begins today on the N-370 - Omaha Project. There will be bridge and pavement repairs starting near the N-50 bridge over N-370 and extending north near the intersection of N-50 and US Highway 275. The Nebraska Department of Transportation advises that during major bridge repair work, N-50 may occasionally be limited to one lane in each direction. For minor bridge repair work, intermittent day and overnight lane closures can be expected. Detours will be provided. Construction is anticipated to be complete by summer 2025.
