PLATTSMOUTH WATER RESTRICTIONS — Notice is given that the city needs to make emergency repairs to the drinking water plant. A news release states that residents reduce water consumption by eliminating any unnecessary water use such as irrigation, car washes and recreational pools. The city emphasizes, "The city's drinking water remains safe for human consumption." The city will be utilizing the back-up water supply from Cass County Rural Water District #1. "We will be implementing water restrictions and asking everyone to conserve water to help keep our water demand low" said city administrator Emily Bausch. Some water customers may notice changes in water aesthetics. Water may be harder than usual leaving sedimentation in sinks, tubs and basins. Routine water sampling will continue. Any changes in water safety would be communicated to customers. The city says it follows all safe drinking water standards at all times. Bausch went on to say, "We are working with rural water and hope to have the repairs made in the next few days." The news release states this may take a week or more, however the specific timeline is not known yet.

JAIL SENTENCE IN NARCOTICS CASE — A Lincoln man was sentenced to serve time in the Cass County Jail on two separate counts stemming from the same incident. 29-year-old Ian M. Keady entered a guilty plea to a charge of possession of a controlled substance a Class IVA felony, and resisting arrest a class I misdemeanor. In exchange for the guilty plea the state dismissed three misdemeanor counts including obstructing a peace officer, resisting arrest, and driving under suspension. On April 20th of this year a deputy stopped a vehicle driven by Keady in Eagle for an inoperative headlight. Keady originally gave a false name and refused to be placed in handcuffs. Deputy Cass County Attorney, Richard Fedde, told district court that at some point Keady swallowed a small package containing what was later identified as methamphetamine. Keady was sentenced to 365 days in jail, with credit given for 94 days served.

EXERCISE FOR A GOOD CAUSE — Registration is now open for the Elmwood Rescue 5K and one mile run/walk. There is an in-person and a virtual option this year. The in-person event is scheduled for August 24th at 8am with the starting point at Bess Streeter Aldrich Park. The virtual run can be completed before the end of August. The deadline to participate in the in-person run is August 13th. Funds are being raised to purchase new equipment for the ambulances. The entry fee is \$20 for the one mile and \$30 for the 5K. All participants will receive a T-shirt. To register go to www.elmwoodrescue.org then select on fundraisers. ►Another note from Elmwood, another Pie Ride (bicycle ride) will take place tomorrow. Paul Siebert will be providing the live music.

CLOTHING SWAP - Keep Cass County Beautiful is again accepting clothing donations. All sizes accepted but clothing must be in good condition and clean. Donate gently used or new clothing, shoes, or accessories. (Underwear or socks must be new and clean.) It's preferred that clothing be in boxes instead of plastic bags if possible. Those who have donations can contact Jennifer Jorgensen at 402-949-0417 to drop off or arrange for pickup of items. Donations accepted until July 29th. The last giveaway provided 107 residents with needed clothing. *****
